

Sulaman Asghar

Video Editor

Specialized in video editing using Premiere Pro, After Effects, and DaVinci Resolve for two years now. My expertise is in color correction/grading, sound designing, and storytelling. I have the ability to transform raw footage into a masterpiece. Additionally, I am proficient in using Photoshop and Illustrator for image manipulation and creating illustrations to add graphics to videos.

Work Experience

Video Editor - Freelance

JUN 2024 - PRESENT

- Self-employed video editor providing remote editing services to a diverse range of clients.
- Collaborated with diverse clients, applying expertise in Premiere Pro, After Effects, and Davinci Resolve.

Video Editor - Sponsoring Thought

FEB 2024 - JUN 2024

- Joined Sponsoring Thought, a prominent production house based in Islamabad, as a Video Editor.
- Contributed to the creation of engaging visual content for various projects, adhering to brand guidelines and client specifications.
- Worked collaboratively with the production team to ensure timely delivery and maintain high standards of quality.

Video Editor - Jjones (photography | film)

SEP 2022 - FEB 2024

- I had the opportunity to work remotely with Jjones (Photography and Film), a US-based client specializing in real estate, weddings, and events. I edited videos that showcased properties and captured the emotions of special occasions, delivering polished results that highlighted the client's creative vision for the American market
